

List of Famous Painters

Requirements, the painting you choose must be:

- ✓ **Representational**, it can be abstract, but must look like something (not just lines, colors, shapes)
- ✓ By a **famous artist** of historical significance (so you can fill out the info. sheet)
- ✓ Must have **several different colors** (so you can learn to mix colors)
- ✓ Include areas of **shading & blending** (rather than flat shapes of solid color)
- ✓ Painted in **oil or acrylic paint** (not watercolor, and not a chalk pastel drawing)
- ✓ **Rectangular** (roughly the dimensions of a piece of letter paper, not a square)
- ✓ **High resolution**, dimensions should be over 1000 pixels (filter by large images in Google)

Choose a painting of an appropriate difficulty level, i.e. not too hard or too easy. Most importantly, choose a painting you like, you'll be staring at it for several weeks!

Names in **bold** are likely to have several paintings that are a good fit for this assignment. If you have another artist in mind, let me know!
